

EDG GRANT APPLICATION PROCESS

will be like if
you engage us

01. Preliminary Assessment

Our brand consultant will provide you preliminary assessment on how you can differentiate your brand and increase your brand awareness.

02. Complimentary Branding Proposal

We will send you a non-obligatory branding proposal and quotation for your consideration.

SME CENTRE

03. Connect with SME Centre

Importance: 1. Checks your company's eligibility for the EDG grant, and accesses Creativeans' branding proposal. 2. With the overwhelming number of applicants, those logged with SME Centre tend to get prioritised. 3. Should complications arise after submission, SME Centre can represent you to appeal your case.

04. Submit Your EDG Application

Creativeans will help with preparation of submission documents. Applicants to prepare financial report and company forecast figures. You may request the SME Business Advisor for assistance.

Pre-application Checklist

05. Wait for the Application Approval

The application process varies from 8 to 12 weeks. There are cases where our clients receive approval earlier.

06. Receive the Letter of Offer

Once your application is approved, you will receive a Letter of Offer containing the grant support, project milestones, and deliverables via the Business Grant Portal.

07. Send Us the Letter of Offer

Once you accept the Letter of Offer, please send us a copy and the signed quotation.

08. Initial Downpayment and Project Commencement

Our finance will invoice you for the initial downpayment and our Lead Consultant will be in touch with you to commence your project.
